

Revised charitable objects

Draft – January 2019

1. to promote the effectiveness and efficiency, for the public benefit, of organisations which:
 - a. relieve sickness, poor health and old age by providing a local broadcasting service for hospitals, residential homes and similar institutions, and for patients receiving community care; or
 - b. advance health and the prevention or relief of sickness through the promotion of the benefits of living a healthy lifestyle, and the importance of maintaining good personal mental and physical health by (mainly, but not exclusively) the means of broadcasting health education messages;
2. to promote, organise and facilitate co-operation and partnership working between such organisations, and with other relevant organisations, be they commercial, not-for-profit, or statutory, in the achievement of the above purposes; and
3. to promote and assist the formation of such organisations.
